A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa...Do you wear glasses? Are you a victim or eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you lie says neglect causes more eye troubles and peor sight than any other one thing. Many whose eyes were falling say they had their eyes restored through the principle of this wonderful free prescription. One man says after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for difteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as

The fire was discovered by two young men as they were on their way to the trolley east of the railroad crossing. Smoke was pouring out of the ventilators when the firemen arrived but the flames were soon extin-guished when the chemical was turned on. The fire had spread into the partitions of the car and it was necessary to chop part of the wall out before the fire was entirely extinguished. It is believed a defect in the heating system caused the blaze, and had smouldered for some time before breaking into flames. The dames was such that the care was slight. age was slight
